NOMINATED FREIGHT INT'L SERVICES INC.

Decades of Excellence: Our Proven Approach to Logistics

For over 21 years, we've been at the forefront of the logistics industry, pioneering innovative solutions and delivering unmatched service. Our success is built on a foundation of expertise, reliability, and dedication to our clients' success.

NOMINATED FREIGHT INT'L SERVICES INC.

Leading the Way Since 2003

NFI Nominated Freight Int'l. Services, Inc. was established in Mandaue City, Cebu, Philippines in 2003.

Throughout the years, NFI Nominated Freight Int'l. Services, Inc. has established itself as one of the major players in the forwarding industry and has become one of the leading forwarders in the Visayas and Mindanao areas. We also have a branch in Manila to cater to shipping and logistics needs in Luzon areas.

With the liberalization and globalization of trade, NFI Nominated Freight Int'l. Services, Inc. is continuously expanding its service reach to better serve its customer base. We are engaged in contract agreements with various regional and worldwide liners and feeder vessel operators to remain competitive in the fast-changing business environment.

Aside from our trademark professional freight forwarding, NFI Nominated Freight Int'l. Services, Inc. engages in export and import processing and brokerage, both by sea and by air.

NOMINATED FREIGHT INT'L SERVICES INC.

Mission

The top management of NFI Nominated Freight International Services, Inc. is committed to undertake the following steps:

- Continual development of the competence of its employees.
- Continuing expansion of NFI business in both domestic and international markets.
- Regular updating of its cargo moving equipment to keep abreast of expansion and new technology.
- Search for additional business partners both local and foreign companies.
- Continual improvement in the communication facilities.
- Preservation of competitive rates relative to NFI's quality of service.

Vision

NFI Nominated Freight International Services, Inc. shall become a world-class transport and logistics institution, highly competitive in both the domestic and international market. NFI Nominated Freight International Services, Inc. shall provide its clientele cost-effective and error-free services through our dedicated and highly motivated personnel who shall ensure the organization's financial security, stability and continuous growth, over time.

Our Service Logistics

NFI Nominated Freight Int'l. Services, Inc. delivers comprehensive freight forwarding and logistics solutions across the Philippines. From sea and air freight to local trucking and warehousing, our experienced team manages every step of the journey — export and import documentation, customs brokerage, and door-to-door delivery — with reliability and care. For over 21 years, we've helped businesses across the Visayas, Mindanao, and Luzon move their cargo safely, on time, and at competitive rates.

Sea Freight Services

At NFI, we specialize in providing comprehensive sea freight services tailored to meet your cargo transportation needs. Whether you require Full Container Loads (FCL) or Less Container Load (LCL) shipments, we offer a range of solutions to ensure the efficient and timely delivery of your goods.

Full Container Loads (FCL)
Exportation Consolidation – one of NFI's core strengths lies in exportation consolidation. We maintain regular weekly consolidation boxes from Cebu to strategic hubs like Singapore and Hong Kong. These hubs efficiently serve as transshipment points for cargo destined for various global destinations including the US, Canada, Europe, Middle East, Mediterranean, and all Asian countries.

Less Container Load (LCL)
NFI offers LCL services for shipments that do not fill a whole 20-foot or 40-foot container. As a well-known international consolidator, we provide space within a container shared by other customers' goods, offering an economical solution for smaller shipments.

Breakbulk & Project Cargo
NFI provides dependable logistics solutions for heavy, oversized, and non-containerized cargo. With coordinated handling, transportaion, cargo securing, and delivery, we ensure your specialized shipments are moved safely, efficiently, and on schedule.

Air Freight Services

Air freight is a vital component of our transportation solutions, offering swift and efficient delivery options for your cargo needs. Operating on daily flight schedules to major destinations using reputable carriers, our air freight services provide a reliable means to swiftly transport your goods to their final destination.

NFI understands the urgency often associated with cargo shipments, whether for personal or business reasons. That's why we specialize in providing trouble-free and proficient air freight services across the globe. Our goal is to ensure your cargo reaches its destination quickly and securely, meeting your deadlines and exceeding your expectations.

NFI Key Services:

- Great customer service, start to finish
- Competitive, cost-effective rates
- Full customs clearance & forwarding
- Real-time flight tracking
- Door-to-door delivery

Local Trucking Services

At NFI, we pride ourselves on offering a comprehensive range of local trucking and hauling services tailored to meet the diverse needs of our clients. Whether you require transportation for export, import, local moves, or inter-island shipments, our complete service solutions have you covered.

Key Services:

- Diverse Fleet – Vehicles and equipment for all cargo types and sizes
- Tailored Solutions – Customized plans that boost efficiency and cut costs
- Efficient Operations – Reliable, on-time delivery through our strong network
- Dedicated Support – Personalized assistance throughout transport

Trust NFI to move your cargo safely and on time, every step of the way.

Other Services

At NFI, we are committed to understanding your logistics needs and providing tailored solutions to help grow your business. Our warehousing operation is designed to facilitate the safe and efficient fulfillment of product deliveries, utilizing modern packing and warehousing techniques to ensure the integrity of your goods.

Key Services:

- Packing – Professional packing to minimize damage risk
- Local Distribution – Timely delivery to customers within the region
- Crating – Custom crates for fragile or oversized items
- Fumigation – Pest control to meet regulatory standards

Trust NFI to protect your goods from storage through distribution.
